From

The President,

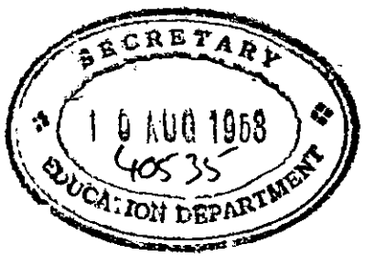
To

The honourable Minister for Education,
Government of Madras,
M a d r a s.



Honoured Sir,

The S.M.S.P. Sabha which manages the S.M.S.P. Sanskrit College, Udipi has been served with a copy of the Director of Public Instruction's proceedings R.C.No.700 D9/50 dated 26-6-1953 containing the order of the Government accepting the suggestions of the D.P.I. that for a period of five years in the first instance, the levy of fees at half the standard rates may be permitted in the reorganised Oriental schools.

1. The said order very seriously hits our institution if school fee is compulsorily enforced upon the students even at half the standard rates.

2. This institution was started in 1904 by the 8 mutts of Udipi with the noble object of imparting free sanskrit education and is ever since then being maintained by contributions made by the mathadhipathis, by public subscriptions and by government grant.

3. The institution was recognised in 1907 under the D.P.I's proceedings No.426/24-1-1907. Since 1904 free education is being imparted to students in this institution and they are also given free boarding, lodging and dress by the mathadhipathis. The students are also given free scholarships by the Government,

by the mathadhipathis and also by other lovers of Sanskrit learning.

4. In spite of the reorganised scheme only students who have a love and liking for the special sanskrit education will resort to the Oriental schools.

5. The purpose of the founders of this institution being to impart free Sanskrit education compulsory levy of fees from the students will defeat their very purpose and will be against their wishes. This may even prompt them to withhold their contributions.

6. The students who resort to this institution are invariably very poor and they are attracted to this institution, because of free meals, free lodging, dress and scholarships given to them. Levy of school fees in this institution will discourage the poor students and will effectively prevent them from prosecuting their studies and drive them to illiteracy. The poor students who attend our institution and their parents are not in a position to pay any school fees. The non-levy of school fees in our institution will not prejudically affect other institutions as only poor students who are not in a position to pay school fees attend our institution.

7. While starting the first and second forms under the new scheme, the students were not informed that they have to pay school fees and to ask them to pay school fees at this stage is rather hard on them. Form I has at present two sections

8. When the proceedings of the D.P.I. enforcing payment of school fees became known to the students their parents and the staff of the college, they have unanimously protested against the proposal and have held meetings

and passed resolutions requesting the Government to drop the scheme of levying school fees in the reorganised classes of our schools. The resolutions passed by the students, teachers, the old students' association and the parents communicated to the Management have already been submitted on ~~4-8-1953 No.12 for favourable~~ L.E.D.P.I. consideration.

9. Under the circumstances the management of the S.M.S.P. Sanskrit College, Udipi begs to submit that the reorganised classes of this institution may be granted Special exemption from enforcement of the said government order and that Special permission may be granted to give free education to the students in this institution in the reorganised classes as before.

Udipi,

Read G.O (Ms) No 1496 Educt. 22.6.53
From the President, S M. S. P. Sabha, Udipi, 4.8.53.
From the D.P.I 7002 9/50 dt. 30.9.53.

G.O.(Ms) No. 2667 Educt. 22/12/53

The Govt. propose, as a special case the management of the S. M. S. P Sanskrit College Udipi not to levy any tuition fees subject to the condition that the grant admissible to the institution under rule 32 of the Grant-in-Aid Code should be based on 2/3 of the admissible items of expenditure minus fees calculated at half the standard rates for 8 instalments.

Sir,

The Parishat views with grave cocern the state of affairs in the Oriental Colleges and Schools in Malabar cosequent on the re-organisation of Sanskrit studies in the Education Department.

The national urge for the spread of the study of our cultural language need not be over-emphasised. This end can be achieved only when Sanskrit studies are made sufficiently attractive by allowing free tuition awarding scholarships and providing suitable openin for qualified hands. The Parishat feels that as per the latest rules and conditiond recently laid down by the Government regarding the conduct of Samskrit Schools, the existing Institutions may have to be closed down before long, and the excellent services, rendered by these Institutions so far for the cause of our ancient culture and for the good of society will be lost to the state.

The Parishat therefore appeals to the Govennment that the question may be reconsidered in all its aspects and satisfactory provision may be made especially on the following lines;

(1) The system of giving free tuition may be allowed to continue.

(2) The rules regarding Minimum strength may be relaxed.

(3) Rules regarding Endowment may be relaxed at least in the case of Institutions of years old or more.

E Narayanan

Letter from the President S.M.S.P.Sabha No.61 dated 4-8-1953.
Letter from the D.P.I.700 D/50 dated. 30-9-'53.

Honoured Sir,

1. In response to our letter No.61 dated 4-8-1953 submitted to the Government praying for special exemption from enforcement of G.O.M.S.No.1496 dated 22-6-'53 regarding the levy of school fees, in the reorganised classes of the S.M.S.P.Sanstrit College Udipi opened under the Reorganised scheme of Oriental Studies and seeking special permission to import free education in the reorganised classes of this institution, the Government has been pleased to pass order G.O.M.S.No.2667 Edn dated 22-12-1953 permitting as a special case the management of the S.M.S.P. Sanskrit College Udipi not to levy any tuition fees subject to the condition that the grant admissible to the institution under Rule 32 of the Grant-in-aid Code should be based on 2/3 of the admissible items of expenditure minus fees calculated at 1/2 the standard rates for 8 months.

2. While the management of the S.M.S.P. Sanskrit College Udipi fully appreciates the generous intentions and attitude of the Government towards this institution and thanks the Goverment for the patronage extended to it by permitting it not to levy tuition fees as a special case the management is constrained to submit that the aforesaid G.O.M.S.No.2667 Edn dated 22-12-1953 has

attached certain conditions in the said order which on close scrutiny will be found to confer no special benefit or concession to this institution and does not implement the generous intentions of the Government to grant special concession to this institution as special case.

The said G.O.M.S.Edn No. dated 2667 dated 22-12-1953 is capable of a two-folded interpretation and two different modes of calculation for purpose of teaching grant. Whereas under the General Order G.O.M.S.No. Edn dated 22-5-1953 applicable to all Reorganised Oriental schools the grant will be calculated on the basis of 2/3 (admissible items of expenditure minus fees calculated at 1/2 standard rate) the new G.O.2667 Edn dated 22-12-53 made specifically applicable to our institution is open to the construction that the grant to our institution will be calculated on the basis of 2/3 (admissible items of expend minus fees calculate 1/2 standard rates. The two mod of calculation will reveal a very wide difference and if the later mode of calculation is adopted it will greatly prejudice us and cause heavy loss of grant to our institution in particular, as against other Oriental institutions which will be given grant under the earlier mode of calculation. The difference is illustrated by the following two modes of calculation adopting hypothetical figures

For Forms I, II and III.

4. Even if the first mode of calculation is adopted for giving grant to our institution, we beg respectfully to submit that the grant to our institution will be on a scale admissible to all other Reorganised Oriental institutions and no special permission or ~~expemx~~ exemption prayed for by us in our letter dated 4-8-1953 is actually granted to us. But we feel confident that the Government has passed the new order G.O.2257 Edn. dated 22-12-1953 with the benevolent intention of specifically benefitting our institution as a special case and granting to us the concession prayed for by us in the said letter, though in the actual implementation of the said order We regret to submit that no real benefit as intended is actually and specifically conferred on our institution as distinguished from other Oriental institutions.

Ours is an institution started in 1904 by the Mutadhipathis of Udipi with the noble object of imparting free Sanskrit education and is ever since then being maintained by the contributions made by the Mutadhipathis, by public contributions and by Government grant. The management is not able to meet the costs of running the institution from these contributions and the Government grant. ~~The Mutadhipathis are already incurring~~ an expense of about R.1,00,000 every year in running this insitution by way of giving free boarding lodging and dress to the students and cash contributions to the institution. The students attending our institution are very poor and they are ~~xkxxxxx~~ attracted to this institution because of free meals, free lodging, dress and scholarships given to them. Levy of school fees in our institution will discourage the poor students and will prevent them from prosecuting their studies and will drive them to illiteracy. The non-levy of school fees in our institution will not effect other schools as only poor students who cannot afford to pay school fees attend our institution. The students were not informed when they joined Form I,&IIthat they will have to pay school fees. The levy of school fees may even prompt the Mutadhipathis to with-hold their contribution as their purpose to impart free Sanskrit education, will be defeated by the compulsory levy of school fees. The Mutadhipathis are against the levy of school fees The parents of the students and the public are agitating against the levy of school fees. It will not be possible for the management to run the institution and meet its expenses if the Government grant should be reduced by deducting 1/2 standard rates of school fees from out of 2/3 of the admissible items of expenditure.

Under the circumstances it is prayed that the Government may be pleased to review the latest G.O. M.S.No.2667 Edn dated 22-12-1953 applicable to the S.M. S.P.Sanskrit College Udipi clarifying the position of our institution regarding Government Grant and pass favourabl orders allowing us teaching grant on the basis of 2/3 of the admissible items of expenditure without taking into account or deducting the school fees calculated at 1/2 standard -- rates for 8 months in the reorganised classes.

Yours faithfully,

President

2. Govt. Memo No. 10355 EV/54-1 Edn. dated 16-2-54.

Submitted.

2. Government, in their order No. 2667 Education dated 22-12-1953, permitted, as a special case, the management of the S.M.S.P. Sanskrit College, Udipi, not to levy any tuition fees, subject to the condition that the grant admissible should be based on 2/3 of the admissible items of expenditure minus fees calculated at half the standard rates for 8 instalments. Accordingly, a sum of Rs. 77/- calculated at half standard rates on behalf of the 11 pupils reading in Form I has been taken as receipts and the teaching grant has been calculated as 2/3rd (admissible items of expenditure minus the receipt at 1/2 standard rates, i.e., Rs. 77/- in this case) and ~~rest~~ as 2/3 rd (admissible items of expenditure) minus the receipt at 1/2 standard rate, which, according to the Correspondent, is another plausible interpretation of the wording of the G.O. A sum of Rs. 13,643/- was sanctioned as grant for the year 1952-53 in respect of all the three departments of the college.

3. The request of the management, apart from the interpretation of the G.O. under reference, is that fees at half the standard rates should not be deducted from the total admissible expenditure, as the management does not levy the fees or receive the amount which is to be deducted. Regarding this question of levy of fees, kind attention is invited to the letter Rc. No. 700 D9/50 dated 1-5-53 and to the orders of Govt. thereon contained in G.O.No. 1496 Education dated 22-6-53. In the circumstances explained therein, there is no need to revise the orders already passed.

School fees at 1/2 standard rates i.e. Rs.1-6-0 per student for eight months on 120 students (40 students in each form.)	Rs.1980-0-0 per year.
(1) The annual grant under the earlier G.O.No.1496 Edn dated 22-6-1953.	2/3 (2700-0-0 -1980) 2/3 X 720 = 480. ✓
(2) The annual grant under G.O.2667 Edn dated 22-12-1953)	2/3 (2700) - 1980 = 1800 - 1980 - 180. (minus grant)

Though the special G.O.No.2667 Edn dated 22-12-1953 is capable of the second mode of calculation, We feel sure that it is not the intention of the Government to prejudice our institution in particular by adopting the second mode of - calculation. The loss which our institution will suffer annually if the second mode of calculation is adopted will go on increasing year after year when we open Forms IV,V, and VI.

4 Even if the first mode of calculation is adopted for giving grant to our institution, we beg respectfully to submit that the grant to our institution will be on a scale admissible to all other Reorganised Oriental institutions and no special permission or ~~exemx~~ exemption prayed for by us in our letter dated 4-8-1953 is actually granted to us. But we feel confident that the Government has passed the new order G.O.2267 Edn dated 22-12-1953 with the benevolent intention of specifically benefitting our -- institution as a special case and granting to us the concession prayed for by us in the said letter, though in the - actual implementation of the said order, We regret to submit that no real benefit as intended is actually and specifically conferred on our institution as distinguished from other -- Oriental institutions

5. Ours is an institution started in 1904 by the Mathadhipathis of Udipi with the noble object of imparting free Sanskrit Education and is ever since then being maintained by the contributions made by the Mathadhipathis, by public contributions and by Government grant. The -- management is not able to meet the costs of running the -- institution from these contributions and the Government -- grant. The Mathadhipathis are already incurring an expense of about Rs.1,00,000 every year in running this insitution by way of giving free boarding lodging and dress to the students and cash contributions to the institution. The students -- attending our institution are very poor and they are ~~xxxxxxx~~ attracted to this institution because of free meals, free lodging, dress and scholarships given to them. Levy of -- school fees in our institution will discourage the poor -- students and will prevent them from prosecuting their studies and will drive them to illiteracy. The non-levy of school fees in our institution will not effect other schools as only poor students who cannot afford to pay school fees attend our institution. The students were not informed when they joined Form I,&II that they will have to pay school fees. The levy of school fees may even prompt the Mathadhipathis to with-hold their contribution as their purpose to impart free Sanskrit education, will be defeated by the compulsory levy of school fees The Mathadhipathis are against the levy of school fees The parents of the students and the public are agitating -- gainst the levy of school fees. It will not be possible for the management to run the institution and meet its expenses if the Government grant should be reduced by deducting 1/2 standard rates of school fees from out of 2/3 of the admissible items of expenditure.

Under the circumstances it is prayed that the Government may be pleased to review the latest G.O. M.S.No.2667 Edn dated 22-12-1953 applicable to the S.M S.P.Sanskrit College Udipi clarifying the position of our institution regarding Government Grant and pass favourable orders allowing us teaching grant on the basis of 2/3 of the admissible items of expenditure without taking into account or deducting the school fees calculated at 1/2 standard rates for 8 months in the reorganised classes.

Yours faithfully,

President

Sub: Schools - Special Reorganisation of Oriental Schools - Levy of tuition fees - Representation.

The President, S.N.S.P. Sabha, Udupi requests that the management may be exempted from levying fees from students studying in the Sanskrit colleges conducted by it. I (M & E) has remarked that the request may be examined. The D.P.I. holds in view that there is no need to modify the existing orders on the subject by (G.O.No. 1496 Edn dt. 22.6.53) under the G.O managements have been authorised to levy fees at only the standard rates from students studying in Oriental schools for a period of five years in the first instance. The question whether free education may be given in oriental schools for five years is under examination in the Secretariat. A decision on the latter may be awaited.

In the top file the general question is being considered whether the orders issued in G.O.1496-Edudation-dated 22-6-53 permitting the levy of fees at half the standard rates in the re-organised oriental schools should be further modified so as to permit the managements not to levy any fees. This Department has advised therein that no modification of the orders may be made, but individual cases of an exceptional nature may be considered on their merits.

In view of the special circumstances stated by the President, S.N.S.P Saba, Udipi on pages 11-13 c.f. and the minutes of previous M(Edn) on page 3-n.f in top file, Finance may agree to the management of the S.N.S.P Sanskrit College, Udipi being permitted not to levy any fees as a special case subject to the condition that the grant admissible under rule 32 of the Grant-in-Aid Code may be based on 2/3 of the admissible items of expenditure minus fees calculated at half the standard rates for 8 instalments.

Minister(Finance) may also see with reference to his minutes in margin on page 13 current file.

Please see the orders in circulation on p. 2 ante. A draft order is submitted for approval.

Sub:-Schools - Special - Oriental Schools - Request of the Akhila Kerala Samskrita Parishat, Ernakulam,- - Representation.

No.1148-F/53. Pl c/f

From the General Secretary, Akhila Samskrita Parishat, Ernakulam, dated 2-3-53.

Please see the letter from the General Secretary of the Akhila Kerala Samskrita Parishat, Ernakulam, on p.1 c.f. He requests that

(1) the system of giving free tuition to the students in the oriental schools which was in vogue may be allowed to continue;

(2) the rules regarding the minimum strength may be relaxed; and

(3) rules regarding endowment may be relaxed at least in the case of institutions of ten years standing and more.

The remarks of the Director of Public Instruction who was consulted in the matter are on page 5 c.f. The Director states that he submitted his remarks on the subject in his letter on pages15--16 c.f. of G.O.No.1496 Edn., dated 22-6-1953. Orders on the subject were passed in the G.O.cited - vide pages 17--19 c.f., thereof and the memo.on page 23 c.f. The requests in the three items mentioned are examined below:-

Item (1) - Request for grant of exemption from payment of fees by the pupils in the Oriental schools -

In paragraph(1)of G.O.No. 1496 Edn.,dated 22.6.53, the Govt. have accepted the D.P.I's suggestion that for a period of five years,in the first instance, the levy of fees at half the standard rates may be permitted in the reorganised oriental schools, subject to the conditions that this concession will be given only if the school does not have more than one section in each form, and that for purposes of receipts in the calculation of grant, half the standard rate for eight instalments will be taken into account. The pupils of these schools will be entitled to all

statutory concessions and the managements will be compensated at their rates. In this connection, it may be mentioned that a representation has been received from the S.M.S.P.Sanskrit College,Udipi, S.Kanara Dt., that the above institution may be exempted from the operation of the G.O.cited, and that special permission may be given to them to give free education to the students of that institution in the reorganised classes as before. The D.P.I's remarks thereon have been called for and they are awaited. A decision in that case will apply to this case also. In the circumstances, no special action seems called for on the request of the Akhila Kerala Samskrita Parishat, now. An extract of this item of ~~xxxxx~~ request may be taken and added to the file referred to at 'M' above.The Gl.Secy.may be informed that the matter is under consideration as a general question.

Item (2) on p.1 ante. ~~xxxx~~ Request for the relaxation of the rule regarding the minimum strength in oriental schools. - The minimum strength now prescribed for an advanced oriental school is 25 for four classes. The Govt. have accepted the D.P.I's recommendation that a minimum of 10 relaxable in special cases may be fixed for each class for payment of grant for the first three years, the position being reviewed after three years. Please see sub para(2) of G.O.No.1496 Edn.,dated 22-6-53. It does not appear necessary to reconsider the orders passed in the above G.O. For orders whether the Gl.Secy. of the Parishad,Ernakulam, may be informed as at 'K' above.

Item (3) on p.1 ante..-Request for relaxation of the rule regarding endowment. - Please see in this connection the orders in ~~xxxxx~~ sub para.(4) of G.O.No.1496 Edn.,dated 22.6.53.With reference to the ~~xxxx~~ concluding sentence of that sub-paragraph, the D.P.I's proposals in the matter are awaited. For orders whether the Secy.of the Parishat may be informed that the

that the ~~xxqxxxxxxxxxxxxxxxxxxxxxx~~ matter is under consideration.

May be circulated to M(Edn) for orders.

Finance (Exp.A) Dept.

(Previous Finance note on pp. 4-5 above)

The file relates to the following questions in respect of the reorganised Oriental Schools in the State:-

(a) Levy of tution fees.

(b) Fixation of minimum strength, and

(c) Provision of endowment.

2. Item (a) above: The D.P.I. suggested that for a period of five years in the first instance, the levy of fees at half the standard rates may be permitted in the reorganised Oriental Schools subject to certain conditions. The suggestion was accepted by the Govt. and orders were issued accordingly in G.O.Ms.1496 Edn. dated 22-6-53. For the reasons stated in paras 1 to 8 of its letter on pp.1-3 c.f. in the L.F. the management of the S.M.S.P. Sanskrit College, Udipi has represented that the levy of fees ordered in the above G.O. may be dropped and the institution permitted to impart free education as before. The Akhila Kerala Samskrita

that the system of giving free tution may be allowed to continue. The D.P.I. to whom the representations were referred, considers that no reconsideration of the question is necessary because of the representatic When the file was circulated to him the previous M(Edn.) minuted as follows:-

> With reference to item (1), I think, for 5 years to come free tuition may be allowed within the discretion of the school management. Particularly the S.M.S.P.Sanskrit College, Udipi, which is a hoary Sanskrit School founded by Sri Madhvacharya may be given this concession as a special case. This institution has been attracting large numbers who are too poor to pay and it is a very well run centre of Sanskrit learning and the stopping of free tuition will cripple the institutions."

on merits

Incidentally, it may be noted that in any particular case ~~where~~ the management is permitted not to levy any tution fees, the Deptt. may suggest that the grant under rule 32 of the Grant-in-aid code may be based on 2/3 of admissible items of expenditure minus half the standard rates of fees for 8 instalments. ~~X~~ This is suggested so that the Govt. may not be put to extra expenditure.

3. Items (b) and (c) above: The proposals of H E L A in items (2) and (3) onpp 2-3 above do not call for any special remarks and may be agreed to in this Department.

E.V.

The file deals with the following requests relating to reorganised oriental schools made by the General Secy. Akhila Kerala Samskrita Parishat, Ernakulam:-

(1) The system of giving free tuition in Oriental schools might be allowed to continue;

(2) The rules regarding minimum strength might be relaxed; and,

(3) The rules regarding endowment might be relaxed at least in the case of institutions of ten years old and more.

2 Item (1) above:- In G.O. (MS) No. 1496 Edn. dated 22-6-53, the Govt. accepted the suggestion of the D.P.I. that for a period of five years, in the first instance, the levy of fees at half the standard rates might be permitted in the reorganised oriental schools, subject to certain conditions specified therein. The management of the S.M.S.P. Sanskrit College, Udipi has also represented in their letter at pp1-3 of L.F that the levy of fees ordered in the above might be dropped, and that they might be permitted to impart free education as before. The D.P.I. who was consulted in the matter states that ~~xxxxxxxxxxxxxxxxxxxxxxx~~ the question of levy of tuition fees in oriental schools has been

examined in detail and that there is no need to revise the orders in the above G.O. When the file was circulated to the previous M. (Edn.) , he has minuted as follows:-

" With reference to item (1), I think, for 5 years to come, free tuition may be allowed within the discretion of the school management. Particularly, the S.M.S.P. Sanskrit College, Udipi, which is a hoary Sanskrit School founded by Sri Madhvacharya may be given this concession as a special case. This institution has been attracting large numbers who are too poor to pay and it is a very well ~~xxxx~~ run centre of Sanskrit learning and the stopping of free tuition will cripple the institutions."

3/ Accordingly, a draft order embodying the orders of M. (Edn.) extracted above was put up and the file sent to Finance That dept. ~~have~~ lowers consider ~~advised~~ that it appears too soon to modify the orders without watching its effect for a year or two and advise that any individual case where there may be strong reasons to justify a departure, ~~might~~ may and that orders in cases including M (Fin) may be be considered on its merits. They also suggest that even in such cases the grant may be based on 2/3 of admissible items of expre. minus half the standard rates of fees for 8 instalments. Attention is also invited to the Finance dept.'s note in the L.F. wherein they have agreed to the managemnt of the S.M.S.P. Sanskr College, Udipi being permitted not to levy any fees, as a special case subject to the condition referred to ~~above~~ at I

4/ The orders were issued only in June 1953 The D.P.I. has also expressed the view that there is no need to revise the orders in the above G.O. Finance have ~~also~~ agreed ~~xxxxxxxxxxxx~~ that individual cases might be considered on merit, if there are reasons to justify a departure In the circumstances, it is for orders whether the views of Finance may be accepted, and the draft order

to reconsider the orders in the above G.O so soon. ~~For orders.~~ For orders.

Item (3) on p. 7 ante:- In para 4 of G.O. No.1496 Edn. dated 22-6-53, the D.P.I. was asked to examine ~~whether~~ again the question of endowmnts in oriental schools and to offer his specific remarks as to whether any further liberalisation is necy. in the case of the Oriental schools. The Director's proposals in the matter are awaited. In the circumstances, no action seems called for on the request at present. For orders.

The file may be circulated to M. (F.& E. for orders on A ~~and B~~ on p. 8 ante and Bcmr C above.

Ref:- Petition dt. 22-1-54 from the President, S.M.S.P. Sabha, Udipi.

From the D.P.I. No. 90 D7/54 dt. 10-5-54.

The President of the S.M.S.P. Sabha, Udipi has submitted a petition (which is at pp.1-4 c.f.) addressed to the Minister for Edn. through the D.P.I., requesting for the reconsideration of orders regarding the levy of tuition fees in the S.M.S.P. Sanskrit College, Udipi addressed to the Minister for Edn. through the D.P.I. The remarks of the D.P.I. thereon will be found at p. 9 c.f.

2. In G.O. Ms. No. 1496, Edn. dt. 22-6-53 the Govt. accepted the suggestion of the D.P.I. that for a period of five years, in the first instance, the levy of fees at half the standard rates might be permitted in the reorganised oriental schools subject to certain conditions specified therein. In G.O. Ms. No. 2667 Edn. dt. 22-12-53, the Govt. permitted as a special case the management of the S.M.S.P. Sanskrit College, Udipi not to levy any tuition fees, subject to the condition that the grant admissible should be based on 2/3 of the admissible items of expenditure minus fees calculated at half the standard rates for 8 instalments. Attention is in this connection invited to the notes and orders in circulation at pp.1-2 n.f. (J). The President of the S.M.S.P. Sabha, Udipi has now requested that fees at half the standard rates should not be deducted from the total admissible expenditure for the purpose of calculating the grant-in-aid. The orders in the G.O. Ms. No. 2667 Edn. dt. 22.12.1953 may be revised accordingly.

3. In the circumstances stated at p. 9 c.f., the Director has expressed the view that there is no need to revise the orders already passed. For orders whether the Dir.'s view may be accepted and the President of the S.M.S.P. Sabha, Udipi informed accordingly.
